

OCHRANIACZ SZYI ALPINESTARS YOUTH SUPPORT BLACK/YELLOW**Cena :****636,00 zł**Nr katalogowy : **YOUTH SUPPORT**Producent : **ALPINESTARS_SALE**Stan magazynowy : **bardzo wysoki**

Średnia ocena :

New compact and easy to use lightweight neck protection to fit kids from 8 to 14 years

Ergonomic designed and engineered shape for perfect fitment and engagement with A-5S

Left and right rigid frames made from a polymer compound in combination with the internal smooth edge soft injected EVA provide a perfect fit and stable positioning

Overall frame construction dissipates energy loads by transmitting them across the back

Flexible back connector between the left and the right frames allows the Neck Support to follow the body movement when riding

Chin plates on the front dissipates the pressure of the helmet when impacting

New quick release closure system to easily engage and disengage the Neck Support

The Youth Neck Support is compatible with the A-5S body armor and can be worn also on its own using the new A-strap included in the YNS kit
