Średnia ocena :

New hybrid children's neck protection with extended tail for position stability  
Ergonomic designed and engineered shape to fit kids from 6-10 years and from 10-14 years  
Double density core is made from a soft PU foam base embedding a hard layer EVA for energy dissipation  
Bottom and internal soft section (neck side) provides comfort for the shoulders and neck, a hard section on the upper part to give stability and provides force distribution when the helmet impacts  
Easy to use soft strap closure on the front part  
Highly compatible with all other Alpinestars protectors and jackets  
External cover can be removed for washing by hook and loop grip opening on the rear
